

FARMERS REFUSE TO LET GOVERNMENT OUT HIS PLACE

Resignation of Association Manager Rejected at Fort Stockton.

Fort Stockton, Texas, April 15.—At a meeting of the Farmers and Fruit Growers' association, the resignation of George W. Colvert as manager, which had been tendered some time before, was acted upon and the association refused to accept the resignation. Instead, Mr. Colvert was re-elected manager unanimously and he was given a vacation until next year. The association is now in the process of organizing a new association to be known as the El Paso Fruit and Vegetable Association.

PEARSON MILLS TO OPERATE WHEN RAILROAD IS RESTORED

The Pearson mills of the Madero company will be operated as soon as the railroad line can be constructed to Pearson. The Pearson mills are the largest in Mexico and were just completed when the revolutionary trouble started. There is a quantity of timber at Pearson which has been sent there from the woods and this will be worked until the Cumbre tunnel is completed so that the Madero mills may send their products to El Paso.

PILES Quickly Cured

Instant Relief, Permanent Cure—Trial Package Mailed Free to All in Plain Wrapper.

We want every man and woman, suffering from the excruciating torture of piles to just send their name and address to us and get, by return mail, a free trial package of the most effective and positive cure ever known for this disease, Pyramid Pile Remedy. Symptoms Mean What? Physician Advises Man.

(From Health Record.)
A general failure of the vital organs, such as the stomach, liver, kidneys, heart, etc., to perform their normal duties, is responsible for many symptoms, often called as "diseases" by the unlearned. However, such symptoms are not to be regarded lightly, for they are the forerunners of disease and premature death. These symptoms are in the nature of weakness, dizziness, loss of vitality, despondency, brain fog, and all the more or less dreaded ailments to which mankind is heir.

The faithful use of the prescription which follows will so establish the normal natural functions of the various organs of the body as to cause to disappear all of the following symptoms: Despondency, fatigue, dull, sunken eyes, cold extremities, pains in small of back, pains in back of head, spots before the eyes, weakness in spine, twitching and trembling, impaired memory, loss of appetite, shrinking, flabby flesh, premature wrinkles, dull headaches, constipation, kidney irregularities, irritability and a general break-down of ambitious spirit and manliness.

First get compound fluid balm—vial in one-ounce package, and three ounces syrup saccharin compound; take home, mix and let stand two hours; then get one ounce compound essence cardiol and one ounce essence cardiol. Mix all in a six or eight ounce bottle, shake well and take one teaspoonful after each meal and one when retiring, followed by a drink of water.

By mixing it at home no man need be the wise as to another's shortcomings, and expensive fees are avoided. Lack of peace and equilibrium in men is a constant source of embarrassment, even when the public least expects it. For the benefit of those who want a restoration to full bounding health and all the happiness accompanying it, the above home treatment is given.—Advertisement.

PORTLAND CEMENT PORTABLE IN PORTALES VALLEY

Rev. C. W. Stroud Clears \$100 From Original Investment of \$17.

Portales, N. M., April 15.—That poultry raising in the Portales valley pays, has been demonstrated by the results obtained by Rev. C. W. Stroud, who owns a fine 50 acre tract of land in the Arch community, on which he raises poultry, fruit and vegetables, and finds time to preach also.

Rev. Mr. Stroud reports that from an investment of \$17 in chickens he realized \$100, not to mention the chickens and eggs which were consumed by the family on the farm. Feed which he fed his chickens netted him \$150 per 100 pounds, when he could have realized but 75 cents for it on the market.

By careful attention, the preacher-farmer has never been bothered with any disease or pests among his chickens and he believes that poultry raising will pay the biggest returns on the investment of any business in the Portales valley.

MIDLAND FARMER TO TRY NEW COTTON

Midland, Tex., April 15.—A new cotton seed which is said to produce from 45 to 46 percent lint is being introduced in this county by C. L. Ralby, a successful Midland farmer. The new cotton is called the Mahine, and Ralby has received 200 bales of the seed on his farm, but will let neighbors have some for experimenting.

FRUIT AND POTATO CROPS FROSTBITTEN

Austin, Tex., April 15.—Advises received by the department of agriculture are to the effect that the fruit and potato crops of the state sustained quite a heavy loss and setback as a result of the freeze which prevailed a short time ago. The crops have been retarded for nearly a month. The corn crop has also suffered, according to information received.

TEMPE COTTON GROWERS WANT EXPERT ADVICE

Tempe, Ariz., April 15.—Tempe cotton growers are waiting only for the arrival of W. T. Swingle, an expert from the department of agriculture, to form an association for the prevention of the introduction of inferior grades of cotton to this district. The growers are anxious to have the introduction of short staple cotton to this district to determine the market value of the crop.

FARMERS IN SACRAMENTO

Alamogordo, N. M., April 15.—Farmers in the Sacramento valley are to try pumping on an extensive scale as a means of securing water for irrigation purposes. The pumping plants are now being installed and there will be in operation in time for watering this season's crops. The experiment is being watched closely by agriculturists throughout the state, and it is proved successful pumping plants are expected to replace the old-fashioned gravity ditch irrigation systems.

MEMBERSHIP NOT ENOUGH SAYS GENERAL LAND OFFICE

Phoenix, Ariz., April 15.—Final action has been taken by the U. S. general land office on the request of entrymen in the Casa Grande valley that membership in the Casa Grande Valley Water Users Association be accepted in support of final proof on desert land claims. The final ruling, directed that such evidence not be accepted as final proof, stands. Settlers in the Casa Grande section may appeal to the federal courts.

PLANS TO PLANT SOON ORANGE TREES NEAR MESA

Mesa, Ariz., April 15.—W. A. Tway has let a contract for the planting of 4000 Washington navel orange trees on his ranch and eight miles northwest of Mesa, under the eastern canal. This is the highest part of the valley and is said to be the warmest. Ripe tomatoes were picked in that vicinity as late as January and cotton blossomed right through the winter. There are no oranges in the district, but Mr. Tway expects to prove that it is adapted to the growing of citrus fruit.

FELDMAN SELLS ALABAMA SECTION LAND FOR \$11,250

Deal Made by Austin & Marr Is One of the Notable Ones of the Week.

One of the largest single plots of land in an addition that has been sold recently is the Alabama lands now included in section 19, block 81, township 2, of Texas & Pacific lands now included in the addition. The price paid was \$11,250. The sale was made through Austin & Marr. The same firm has sold for Clark Bishop to A. R. Giambling, lots 2 to 10, block 2, Bishop's subdivision, for \$1200.

The Austin & Marr Investment and Construction company has sold to Florentina Rodriguez lots 15 and 16, block P1, Garden subdivision, for \$650; to N. F. Lacer, the east 1/2 of lot 26, all of lot 25 and the west 1/2 of lot 24, block 81, East El Paso addition, for \$200; to Urbana Zuhia, lots 17 and 18, block P1, Garden subdivision, for \$850; and to R. E. Bridges lots 17 and 8, block D, East El Paso addition, for \$250.

In East El Paso and Government Hill.
The East El Paso Town company has sold to Francisco Reyes lot 9, block 56, East El Paso addition, for \$175. From the Government Hill company, Mrs. Nellie McKeon has bought lots 25 and 26, block 1, Government Hill addition, for \$250. Austin & Marr have sold for Mrs. L. W. Gibbs to Fred Hilder lot 16 to 18, block 8, East El Paso addition, for \$200; to Bishop to D. L. Hill lots 11 to 14, block 2, Bishop's subdivision, for \$900; for Simon Turk lots 9 to 12, block 3, Alhambra Heights addition, to Miss Freddie Baker, for \$500; and for T. C. McCarthy to B. L. Parker lots 27 and 28, block 18, Franklin Heights addition, for \$375.

Sells Bungalow on La Luz

J. E. Leslie has sold to S. E. Arvin the five room pebble dash bungalow on La Luz street, in the 55 block, in Government Hill addition. The selling price was \$2550, the sale being made through Hawkins Bros.

To Draw Plans For Cruces Schools.

Trost & Trost have been awarded contracts for the plans for two schools in Las Cruces and a hospital building in Silver City. Besides the two schools in Las Cruces, one of which will be a six room and the other a four room building, an addition is to be built to the central school, the total cost of the new buildings will be about \$25,000.

Hospital For Silver City.

The hospital at Silver City will be the new home of the Women's Charity hospital. It will be a one story structure, containing, besides offices, 20 rooms. The building will be one story high, built of brick and will cost \$15,000.

Building Bungalow.

M. J. McAttee has under construction a five room bungalow in block 112, Alta Vista. He also contemplates the construction of several other cottages which he will place on the market.

EGG HAS OUTLINE OF STAR AND MOON ON IT

Albert Robinson, a negro, living at 607 West Second street, is the possessor of a "freak" egg, laid Wednesday by a pullet in his chicken yard. The egg has a star and moon outlined on the shell, which are plainly visible to the naked eye. He will attempt to preserve the egg.

But many persons cannot digest starch as found in ordinary food—hot biscuit, potatoes, white bread, etc.

In making

Grape-Nuts
FOOD

from wheat and barley, the starch part of the grains, needed for body energy, is so thoroughly dextrinized by long baking (partially pre-digested) that the time of digestion is reduced—generally to about one hour.

(White bread about 3 1/2 hrs.)

Many forms of stomach trouble disappear when proper, easily digested food is used.

HOW YOU MAY THROW AWAY YOUR GLASSES

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunate, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once: Go to Kelly & Pollard, or to any active drug store and get a bottle of Opto-water and drop in one drop of Opto-water and the results will be astonishing. Many who have been told that they have astigmatism, eye-strain, cataract, sore eyelids, weak eyes, conjunctivitis and other eye disorders, report wonderful benefits from the use of this prescription. Get this prescription filled and use it; you may not strengthen your eyes that glasses will not be necessary. Thousands who are blind or nearly so, or who wear glasses would never have required them if they had cared for their eyes in time. Save your eyes before it is too late! Do not become one of these victims of neglect. Eyeglasses are only like crutches and every few years they must be changed to fit the ever-increasing weakened condition. Better see if you can, like many others, get clear, healthy, strong, magnetic eyes through the prescription here given.—Advertisement.
